*"Don't be afraid, because I am with you.  
Don't be intimidated; I am your God. I will  
strengthen you. I will help you. I will  
support you with my victorious right  
hand."*

**ISAIAH 41:10**  
(Gods Word Translation)

Each one of my art pieces is inspired by the lessons that I've learned about myself and others and about life in general, and COSMIC HUG was no exception.

During my journey with this piece, I learned about The Creator, how It sees me as Its Child and where I fit in the broader Universe. During this journey I could feel the Creator coming closer to me, interacting with me and never leaving me; hugging me every step of the way.

I came to realize that Creator is the only stronghold in life. Creator is the only one that I can truly depend on.

I have written at length about the subject on my website [www.making-waves.ca]. If you have any questions or would like to chat about this topic I would love to hear from you. Please email me at:
